

2025 - 2026 Benefits Employee/Employer Costs

Below please find the annual costs for benefits for your employee group.

Enrollment for benefits will be through our US Enrollments System. Visit our benefits microsite for more information.

<https://mciu.mybenefitsinfo.com>

Benefits are effective on your first day of employment and we encourage you to complete the enrollment to either elect or waive benefits within ten **(10) days** from your date of hire.

Please use the information below as a reference. Employee deductions are taken with each biweekly payroll, based on your number of pays per year. Your contribution will be prorated based on number of pays available.
