CERTIFICATE ENDORSEMENT

This endorsement is part of the Certificate issued under Policy Number 932638-002 and is effective on July 1, 2019. It is part of, and subject to, the other terms and conditions of the Certificate. If the terms of this endorsement and the Certificate conflict then this endorsement's provisions will control.

For the purposes of this endorsement:

Prior Policy means the group insurance policy(ies) for Employee Voluntary Life and Spouse Voluntary Life Insurance issued to the Policyholder by Union Security Insurance Company that was in effect immediately prior to the Policy.

The Certificate and the Policy replace your insurance with us under the Prior Policy. The following provisions apply to any insured person who was covered under the Prior Policy on the day before the effective date of the Policy:

1. Any representation made for the purposes of obtaining or continuing insurance under the Prior Policy shall be deemed to have been made also for the purposes of obtaining insurance under the Policy. However, for the sole purpose of applying the section entitled INCONTESTABILITY, the effective date of an Employee's or Dependent's coverage under the Prior Policy shall be deemed the effective date of the Employee's or Dependent's coverage under the Policy.
2. For the purposes of determining any waiting period (by whatever name called) before insurance becomes effective or benefits become payable under the Policy, credit will be given for the completion or partial completion of any waiting period under the Prior Policy.
3. For the purposes of determining any benefit maximum, duration or limitation of benefits under the Policy, all benefits paid under the Prior Policy with respect to any person shall be deemed to have been paid as benefits under the Policy with respect to any person. All periods of time with respect to which benefits were paid under the Prior Policy shall be deemed to be periods of time with respect to which benefits were paid under the Policy.
4. Any claim incurred while the Prior Policy was in effect will be paid under the Prior Policy.
5. Any request, election, designation of beneficiary or assignment made under the Prior Policy shall be deemed to have been made under the Policy.
6. Any uninterrupted period of time during which insurance was in force under the Prior Policy with respect to any person, shall be deemed included in the period of time insurance for said person was in effect without interruption under the Policy.
7. Any reference to Employee or Dependents in the Policy will be deemed to include any insured regardless of what they are called in the Prior Policy.
8. In no event will any benefit be payable under the Policy which duplicates any benefit payable under the Prior Policy.

In the event of a conflict between the Policy and the Prior Policy, the terms of the Policy will control.
