

Pet insurance for the pets you call family

Rachel didn't want to go into debt for Moo's care.

Rainwalk made sure she didn't have to.

After paying for Moo's ACL surgery out of pocket, Rachel knew she needed a better way to prepare for the unexpected. When she later learned about Rainwalk while adopting a cat, she enrolled Moo so future care decisions would not come with the same financial stress.

"Moo isn't just a pet. She is family." - Rachel

When Moo needed care, Rainwalk was there.

Cancer diagnosed

Rachel discovered a lump on Moo's leg. Her veterinarian confirmed her worst fear: cancer.

Coverage confirmed

Rainwalk confirmed Moo's treatment was covered and the surgery was quickly scheduled.

Coverage continued

6 weeks later, another bump required surgery at the University of Missouri Veterinary Health Center.

\$3,879.29 in veterinary costs covered by Rainwalk

Today, Moo is healthy and bump-free, and Rachel can focus on Moo's care, not the cost.
