

# Members Drive Stress-Free With TurnSignl

## What Is TurnSignl?

TurnSignl is a groundbreaking mobile app that allows drivers and their families to chat face-to-face (think "FaceTime") with an attorney when they're pulled over or in an auto accident.

Attorneys on TurnSignl are experts in personal injury, traffic issues and criminal law, and trained to help ease anxiety and reduce tension during these interactions.

TurnSignl's mission is to de-escalate roadside interactions, protect a members' / families' civil rights and ensure both drivers and law enforcement return home safely.

## How TurnSignl Works:

### Connect in Real-Time

When you're pulled over, launch the app with the press of a button or single voice command.

### Start Recording

The app begins to record through the front-facing camera and stores audio and video in the user's cloud. This information is only accessible to the member.

### Video Chat with Attorney

An expert attorney appears on the screen to guide and de-escalate the entire interaction.

### Get Home Safe

Our mission is to get everyone home safely and provide guidance for future action if needed.
